# Exceptional Outdoor Experience in the Calanques

## Adventure & Elegance in a Breathtaking Natural Setting

Escape to the refined luxury of our 5-star hotel, ideally located just steps from the breathtaking Calanques National Park. Immerse yourself in a haven of elegance and serenity, where world-class service meets the natural beauty of one of France's most iconic landscapes

### 1. Private boat cruise to explore hidden coves and the calanques

Boat rental is the "must do" experience.

We offer a large range of options with or without skipper to discover the Calanques and the wonders of the coast between Marseille and Saint-Tropez.

Admire the silhouettes of the pines dominating and coloring the scrubland of this typical Provençal landscape.

Delight in the shades of blues that the Mediterranean unfolds.

### 2. Guided rock climbing on stunning limestone cliffs overlooking the sea

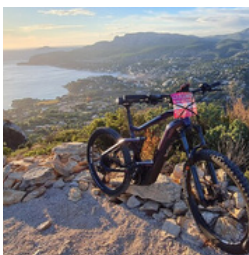

Walking the paths is the best way to discover the many facets of the Calanques National Park from the land.

From the hotel, you have access to 3 Calanques for around 3 hours' walking, so you can explore them with or without a guide for a few hours or during the day.

For the more adventurous, we can organise a via ferrata or rock-climbing outing in the park and its calanques.

### 3. Enjoy a mountain biking tour along panoramic coastal trails in the calanques

At the hotel we offer electric city bike rental. Do you prefer mountain biking ?

We can organize the rental, with or without a guide !

Imagine yourself in the heart of this majestic limestone massif over 120 million years old. Our high-end and powerful e-MTBs are perfectly suited to the gravel surface of the National Park.
